

Secretary for Half a Century.
The annual meeting of the Historical Society of the United States was held here for the purpose of electing the officers for the coming year. The following officers were elected for the coming year: President, Dr. J. H. Eddy; Vice-President, Dr. J. H. Eddy; Secretary, Dr. J. H. Eddy; Treasurer, Dr. J. H. Eddy; and the Rev. Dr. J. H. Eddy, Secretary of the Society for fifty-one years. A vote of thanks was tendered to Dr. J. H. Eddy.

Longobardi's Victim Wore.
Yonny John Barrett, who was shot by the Italian Longobardi, and who has been hovering between life and death in the Chambers Street Hospital, has given up the ghost. He died Monday, and but little hope is entertained by House-Surgeon Wedekind of his recovery. No visitors except his mother are allowed near him, and the scarcely ever leaves him.

The Guard Against Cholera.
Health Officer Smith paid a visit this morning to Hoffman and Swinburne Islands, and to the detained steamship Britannia. All the quarantined people were found in good health. Dr. Smith reported that all the Britannia's passengers were also in good health and that the vessel was being thoroughly disinfected.

[SPECIAL TO THE EVENING WORLD.]
NEWPORT, R. I., Oct. 20.—Isaac Bell, Jr., United States Minister to the Netherlands, was entertained at luncheon yesterday by Capt. John Waters, of the Life-Saving Bureau.

STEPHEN W. DORSEY.

A Vivid Chapter from His Experience and the Valuable Lesson It Contains—A Few Timely Suggestions.

The coming political campaign is already an exciting one. Both forces are striving for the occasion and all political skill, foresight and energy can do to bring down. One of the ablest managers in Senator Stephen W. Dorsey. Those who are acquainted with the Senator realize what a remarkable man he is, and that as Secretary of the National Republican Committee during the Garfield campaign and as manager of the immense iron business he now has on hand his abilities have never failed him. But, unfortunately, his physical system gave way a few years since and he became a victim to the worst trouble which ever comes to man or woman. Few men or women ever suffered more than Senator Dorsey, and yet he is today in the finest possible condition. This is what he says on the subject:

"Dr. Bliss and Johnson, of Washington, directed me a few years ago to use Bethesda Water for severe kidney and bladder troubles. I was in the hospital for several weeks, and the water of the Bethesda Spring was the best I ever used for kidney and bladder troubles, and I have recommended it to many persons since my recovery. All such diseases as I have named are worth more than all the prescriptions and all the drugs."
But Senator Dorsey's experience in the use of Bethesda is not a solitary one. Every leading physician in America ordains its use when patients are attacked by kidney ailments. Dr. Bliss knew its great value and administered it to President Garfield during that hot summer when the life of the Executive hung by a thread. We need no woman or child ever faithfully used Bethesda, even for minor complaints, without receiving benefit within twenty-four hours. It is a beverage for the home, and the health of all families where it is regularly used invariably improves. Inasmuch as all reputable dealers handle Bethesda, and as it is becoming so popular, it is not surprising that a marked decrease in kidney and bladder complaints has been noticed by the various Boards of Health, and the proportion of delicate mothers and young children in any community is invariably lessened where Bethesda is freely and constantly used. Such is Nature's remedy, pure, palatable and yet powerful; a godsend to Senator Dorsey, a boon to physicians and a blessing to all who use it.
